

Ladies and Gentleman: I can finally relax at the end of the day and not have to answer the phone from someone that I didn't solisatate. When I signed up for the Do Not Call list, I thought that it wouldn't work, but it did. I had one company that just didn't get the message and kept calling even when I told them that I wasn't interested for there product, on many occasions. I wrote one complaint to the DO NOT CALL LIST and I haven't heard from them since. Thanks to the List. I support it totally. George Beatty. I am a registered voter and I am retired.
